

Title: Papua

Author:

This city is best known as Swamp City, because large regions of Papua are covered with swamps.

Although this may sound unappealing, young couples will find the Just Inn the perfect haven to spend their honeymoon.

Papua has a teleporter connection to the mage shop in the North of Moonglow. To travel to Moonglow, stand on the pentagram in the Papua mage shop and say the invocation recsu. To travel back to Papua, say recdu when standing on the pentagram in the Moonglow mage shop.

North of Papua lies the Lost Lands Desert, which is the home of many intimidating species, most of which are highly aggressive.

East of Papua is a very large lake which runs all the way to the north, extends beyond the lighthouse at the north end of the desert, and ends west of the Desert

area. Papua features a shipwright and docks. Travelers to and from Britannia can use the Serpent Pillars in the sea to reach Papua by boat. Furthermore, Papua boasts many shops, including a

Carpenter, a Tinker,
a Tailor, a Jeweler,
an Alchemist, a
Healer, a Butcher, a
Blacksmith, a Baker,
a Provisioner and
stables.
